Welcome Message

Welcome to the 2019-20 Northstars Yearbook

Welcome to all the Northstars hockey players, new and returning, coaches and parents to another hockey season.

Thank you to all our advertisers for your tremendous support to your community and to Calgary Northstars. Each year our goal is to create a memento for years to come with the CNHA yearbook. This book is only possible because of the dedicated efforts of each of team's yearbook coordinators. Sincere thank you to the following coordinators for making the entire process run so smoothly:

Bantam AA Kings – Stacey Maddigan
Bantam AA Blazers – Karen Lundin
Bantam AA Canucks – Rod Matheson
Bantam AAA Sabres – Renata Robson
Minor Midget Blazers – Kim Crews
Minor Midget Canucks – Louise Thubron
Midget AA Blazers – Tanya Nieboer
Midget AA Canucks – Mark Dyck
Midget AAA Northstars – Joanna Jones

This yearbook is the direct result of the expertise and talents of our designer Blair Henderson, Futurebook, and our photographer Barney Brown, Champion Photography. Thank you for taking this yearbook to a new level this year. We are thrilled with the results!

A sincere thank you to all of the CNHA board members for your support and guidance with this project. Your input was invaluable.

We hope you enjoy this year's edition.
Go Northstars!

Yearbook Coordinator

Presidents Message

On behalf of the Calgary Northstars Hockey Association, I would like to welcome our players and families to another great season of hockey!

It is certainly an honour to be elected as president for the 2019-2020 season and we look forward to a exciting year together. Our mission this year has been updated to develop and promote positive experiences in hockey for all of our players, coaches, volunteers and officials, and to continue to instill a love of the game of hockey that lasts for years to come.

We are a development league, and as such, I believe it is key to focus on programs and individuals where we want to be. This year, we have introduced a new slate of programs designed to achieve our goals. Our commitment to empower players to reach their potential goes beyond on ice skills, this year it includes mental awareness sessions, off-ice work outs, and the opportunity to watch themselves on professional video breakdowns. Quite simply, the Northstars are committed to developing these players to be their best.

About the players, congratulations to each and everyone of you. It was a long and difficult road to get to your teams and we are very proud to have you in the Association. It takes hard work and a tremendous amount of dedication to make a team, so be proud of yourself and your achievements. Be proud Northstars on the ice and especially off the ice in your communities.

Thank you to all the new board members, you have all done wonderful work in your positions without volunteers like yourselves all this could have not been possible.
