

Calgary Northstars Hockey Association Yearbook 2020-2021

The Calgary Northstars Hockey Association produces a yearbook each year, the concept of the yearbook is to raise funds through advertising sales for our 12 teams who participate in elite level AAA, AA and U21 B Hockey programs. It also serves as a yearbook and keepsake for our players and families. The players range in age from 13 - 21 years and some of our players have moved on to WHL, CJHL, NCAA and NHL careers.

The Northstars Yearbook profiles all 12 Calgary Northstars teams. Team photos and rosters, individual player photos, profiles and advertisements are all included in the magazine. Each year we print approximately 700 yearbooks. In the New Year, they are distributed around the City of Calgary plus a variety of other locations where our teams travel to attend various tournaments.

The Calgary Northstars Hockey Association is a non-profit organization. Run by dedicated volunteers. All profits realized will go towards operating costs of each of our 12 teams. The Calgary Northstars Hockey Association is dedicated to operating a competitive hockey program in Calgary. Each year we promote and encourage the development of individual hockey skills and positive attitudes towards sportsmanship, education and citizenship.

Our team is currently selling advertising space in the 2020-2021 Yearbook. We are asking for your support by purchasing an advertisement. The 2019-2020 yearbook is available for viewing on the Calgary Northstars Hockey Association website: <https://calgarynorthstars.com/yearbook/>

Further questions can be directed to the Calgary Northstars Yearbook Coordinator, Julie Farquhar- yearbook@calgarynorthstars.com. The Calgary Northstars appreciate and thank you for your support.
