2024 CNHA GOLF TOURNAMENT

REGISTER YOUR TEAM NOW!

The Calgary Northstars Hockey Association (CNHA) is thrilled to unveil its inaugural Golf Tournament, marking the beginning of a new tradition as our signature social and primary fundraising event to inaugurate the hockey season.

Scheduled for Monday, August 19th, the 2024 tournament will unfold amidst the picturesque setting of the esteemed Country Hills Golf Club.

"We are delighted to launch the Northstar Classic golf tournament at the Country Hills Golf Club on August 19th. This event holds special significance for CNHA as it represents our commitment to fostering community engagement and supporting our athletes. Proceeds from the tournament will be reinvested directly into our association, ensuring that we maintain the most competitive registration fees in Calgary and beyond, while also equipping our players with the latest resources to facilitate their individual and team development. We are also excited to utilize our charitable arm of the association, Northstar Cares, during the event to support our various charity partners and help raise funds and awareness for their causes".

Foursomes and sponsorship options start at \$1850 and can be purchased by contacting gm@calgarynorthstars.com. Thank you for directly having a positive impact on our CNHA athletes!
